A versatile wine which can be a pleasant easy-drinking wine as an aperitif or show its gastronomic capabilities when paired with food. Given the composition of varietals, Tinkling Spring has a multitude of aromas and fruits to discover: rose petal, honeysuckle, white fruit, pear, white peach, juicy pineapple, tangerine, apricot, pepper, nutmeg, and citrus peel...long and spicy. Pair with a multitude of dishes.

## 2019 TRAMINETTE

**BOTTLE \$20 GLASS \$7**

Aromatic hybrid grape related to Gewürtztraminer...pairs excellently with spicy and exotic foods like Thai, Indian, and Vietnamese...the dense texture helps tame the spice and bring forward fresh exotic fruits from the wine. This current Traminette from 2019 is completely dry....it presents a delicate floral note on the nose resembling rose petal accompanied by fresh cut lemon and citrus zest & light nutmeg; on the palate light hazelnut, pear, and fresh lemon

## 2019 VIDAL BLANC

**BOTTLE \$20 GLASS \$7**

Refreshing, rich, aromatic, & versatile - our estate-grown Vidal blanc is very food-friendly and pairs well with a broad range of dishes. This Vidal represents well the warm 2019 vintage showing what Vidal can do in a hot and dry year - expansive and expressive - spicy with floral of acacia, peach, citrus, and candied pineapple

## 2020 ROSÉ

**BOTTLE \$22 GLASS \$8**

Merlot 96%, Cabernet Franc 4%. This beautiful rosé will take you on a voyage to southern France with its colors and aromas. Clean, crisp, and mineral...expressive of light spices, ruby grapefruit, and fresh-cut peach. ## 2018 CABERNET FRANC

**BOTTLE \$25 GLASS \$9**

Our delicious Cabernet Franc welcomes you with aromas of violet, red fruits and a bouquet of spices. Light, playful, easy drinking, and well structured - this 2018 is very food friendly and a delight to drink. Feel free to chill down a bit in the summertime for a beautiful summer red wine.

## 2018 MERLOT

**BOTTLE \$26 GLASS \$9**

Excellent fruity, spicy and complex Merlot from the excellent 2017 vintage. Note our wonderful BRV acidity keeping this Merlot light and long - bouquet is floral with a hint of bay leaf & presents stone fruits like plum & cherry (kirschée) along with candied fruit on the palate with a whole range of spices - cinnamon, nutmeg, tobacco, & licorice. Great with short ribs and polenta, mushroom risotto, rosemary steak....

## 2019 TOURIGA

**BOTTLE \$26 GLASS \$9**

A perennial favorite of Barren Ridge fans. Touriga Nacional is difficult to find in Virginia, but it has a tremendous earthy structure & delicious, delicate smoked fruit profile. Floral notes, smoky & spicy dark plum fruit along with mineral freshness and structure will entice you to try this wine with food. Tastes Latin...more Portuguese or Iberian than French...as it should. Try with paella, chorizos, Spanish tortilla, any grilled meats, rich and creamy cheeses...light enough also to go with fried chicken at your next picnic.

## 2020 RED BARREN

**BOTTLE \$20 GLASS \$7**

Off-Dry. One of our most popular wines, Red Barren features a rich blend of Chambourcin, Petit Verdot, Merlot, and Touriga. On the nose - aromatic, very fruity, and spicy...black cherry, ripe plum, and candied fruits along with aromas and flavors of mulled wine spices like cinnamon, nutmeg, and licorice. Enjoy chilled on the patio.
